Grading Policy

Ashley High School's grading policy aligns with the New Hanover County Schools (NHCS) grading policy referenced below.

NHCS Evaluation of Students Performance Regulations (3400-R) HIGH SCHOOL

The following implementation is the **minimum** requirement and is outlined for students who are failing. School staff should always consider additional opportunities for growth when any student is underperforming.

Quarter 1 (Q1) and Quarter 3 (Q3)

- All assignments will appear in Infinite Campus as a direct reflection of student performance **(0-100%)**.
- Documented two-way communication with parent/guardian will occur bi-monthly (twice a month) if their child is **failing the course**, one of which should be a parent conference.
- Q1/Q3 grades will appear as the following:

(90-100) = A (80-89) = B (70-79) = C (60-69) = D **(50-59) = F** **(0-49) = INC***

*Teachers will temporarily put an "incomplete" in Infinite Campus for students in the 0-49% grade range for the overall Q1 grade)

- Parents of students whose final average is an **F** or an **INC** will be notified that their child will receive an academic contract. The academic contract will outline academic support and opportunities to allow the students to gain a greater understanding of missed skills and improve their academic performance.
- After the parent(s)/guardian(s), student, and teacher have agreed on an academic contract, the student will have two weeks to fulfill the requirements of the contract.
- Once students fulfill the contract, within the two-week allotted period, the Q1/Q3 grade will be updated.
- If a student fails to fulfill their academic contract they will receive the grade floor of an F, numerically presented as a 50.

Quarter 2 (Q2) and Quarter 4 (Q4)

- All assignments in Q2/Q4 will appear in Infinite Campus as a direct reflection of student performance **(0-100%)**.
- Parent(s)/guardian(s) will be contacted bi-monthly (twice a month) if their child is **failing the course**. The teacher will work with the students and parents to identify assignments that allow the student to gain a greater understanding of missed skills and improve their academic performance **prior to** the end of the semester.
- Q2/Q4 grades will appear as the following:
(90-100) = A (80-89) = B (70-79) = C (60-69) = D **(0-59) = F**

Final Course Grade (F1) (F2)

- The final course grade will appear in Infinite Campus as a direct reflection of student performance **(0-100%)**.

Grading Scale

(90-100) = A (80-89) = B (70-79) = C (60-69) = D **(0-59) = F**

Grading Practices

The faculty and staff of Ashley High School will grade students according to the following categories:

- **Practice 40%**
 - Graded activities to teach curriculum standards during the learning process.
- **Performance 60%**
 - Student's demonstration of mastery of curriculum standards

Teachers will determine the weight of specific sub-categories within Practice and Performance in order to adapt to their specific curriculum and teaching style. Teachers will use the guidelines in the chart below in determining what to include in each sub-category:

Policy 3400
Evaluation of Student Progress

District requirement:

- Teachers must evaluate student performance **at least nine times** per grading period.
- Grades must follow the standards for the course and use consistent grading procedures.

Ashley High School expectation:

- Teachers should assign, grade, and post at least:
 - **9 practice activities** (e.g., classwork, homework, daily assessments)
 - **4 performance activities** (e.g., tests, final drafts, formal performances)

Teachers should be as objective as possible in assigning grades and seek consistency in their own grading and in grading throughout departments, the school, and the school system.

Teachers shall record grades in Infinite Campus within seven days of the assignment due date and keep accurate records in order to substantiate a grade or assessment given in a course. Grades assigned will reflect effort, growth, and academic achievement.

Late Work Policy

- In this course, assignments not submitted will display a 0 until the work is made up. Work submitted late will incur a penalty of **5 pts off every day late**. After 12 days, the highest grade a student can receive on a missing assignment is a 60. Once a quarter ends, if the assignment is still missing it will remain a 0. Specific penalties vary by student situation, for example being out sick, doctor's appts, family emergencies, etc. It is important for students to communicate with their teachers if they need extensions due to extenuating circumstances.

Make-up Work Policy

- Students are responsible for obtaining and completing make-up work after absences. **Students will have at least 5 days (or at least the same number of days they were absent) to make up missing assignments after being absent including tests and examinations for full credit.**

Academic Honesty
